Who was João Taborda?

João Luis de Queiroz Taborda was a physician with a specialty in Pneumology and simultaneously a lover of photography. Raised in a family, with a very special dedication to photography he soon became familiar with the cameras and the photographic development laboratory. It was however from 1987 onwards that he started competing and became more experient.

It received the following distinctions:

2003-AFIAP (Artist of the International Federation of Photographic Art).

2012 - EFIAP (Artist of Excellence of the International Federation of Photographic Art).

2013 - Received from the American Society of Photography (PSA) the title of PPSA.

2015 - It is attributed to him by the "Fotogram Art Studio" of Belgrade - Serbia - the title rarely attributed - Hon. FT GM (Honoris Fotogram).

2016 - Receives from the Center "Indian Visual Arts Foundation" the title of Master IVAF, being the first foreigner to receive this title.

He has performed more than 40 photographic exhibitions and was Jury from multiple photo halls. He has won more than 300 gold medals and more than 600 other medals (PSA, FIAP, UPI/GPU FSS) and honorable mentions, which certainly puts him in the position of being probably the Portuguese with the most international awards.

- Won the 11th World Photofestival of Rovings in Croatia (2000).

- Has had the Photography of the year 2013 in the USA - PSA (American Society Photography).

In the last years, he has been distinguished by PSA "Who's Who In Photography" with the TOP 10 in several categories.

2016 - In the World Ranking of the PSA - American Society of Photography is 3rd Place in Photojournalism.

2017 - Won at the Siena Photo Awards the trophy Pantea de Oro, in the category "Faces and Characters" for his well-known photograph of a woman covered by a Portuguese flag, among the colorful crowd at a music festival. This is perhaps the most important achievement of his career as an amateur photographer

It makes in 2017 the Book of the 150 years of the PSP (Public Security Police).

After this he feels apprenticed and with the desire to continue learning, looking for excellence in the Art of Photography.

In October 2018 he received in Poland, in the exhibition PhotoArtMedica the Great Prix 2018.

In January 2019 he received the title Master PSA (MPSA) and in February the title Gold PSA (GPSA).

João died in Lisbon, on the 24th of January 2020 after a prolonged cancer disease. He has 69 years old. In October 2021, a photography book named "João Taborda. A humanist photographer" was published with his most awarded works according to his wish.

In his honour, since 2023, there has been an annual online International Photography Salon organized by Portugal

The sponsors of this International Exhibition of Photography have been awarded Recognition by the Photographic Society of America (PSA), the world's largest patron of international photographic exhibitions. PSA, although it has provided recognition, is neither a sponsor nor directly involved in the operation of this exhibition.

Valid acceptances received by PSA Members in recognized sections of this exhibition are eligible for PSA Star Ratings, listing in the world-wide PSA *Who's Who of Photography* and credited towards the PSA Distinctions of QPSA, PPSA, EPSA, MPSA, MPSA2, GMPSA, GMPSA/B, GMPSA/S, GMPSA/G and GMPSA/P.

PSA is a non-profit organization promoting the advancement of photography in all its forms to novice, amateur and professional photographers worldwide. For information on membership and the many services and activities of PSA, contact:

Photographic Society of America

GLOBAL PHOTOGRAPHIC UNION - GPU (former UPI)

is a worldwide interactive organization for anyone interested in photography, be they casual, serious amateurs or professional photographers.

Founded in Goirle, The Netherlands, September 2007, GPU brings together professional and amateur enthusiasts of all ages and levels of achievement. As a nonprofit organization, its mission is to promote and enhance the art and science of photography in all its phases.

Individual members are offered a wide variety of activities: photo and digital competitions, photo exhibitions in different countries, study groups via mail, web site access, photo books, magazines, Photo festivals, distinctions, titles, and a raft of other activities.

Have look on the site: www.gpuphoto.com

Award from this Exhibition will be credited towards IIG Distinction
